Did You Know?

- Almost all the gadgets you are using, the clothes you are wearing, and even the food you enjoy come through PSA container terminals.
- The port is important to Singapore. PSA and the maritime community contribute about 7 per cent to Singapore's Gross Domestic Product (GDP).
- We operate the world's largest transhipment hub, handling about one-seventh of the world's total container transhipment throughput.

CAREER OPPORTUNITIES

Container Handling Specialist (Prime Mover Driver)

Truck containers within the port for container terminal operations.

Starting Gross Salary

Up to \$2,700 per month

Requirements

- Willing to work on rotating shift and outdoors
- Perfect colour vision

CAREER OPPORTUNITIES
